Department of Electronics Engineering 전자공학과

http://ee.hufs.ac.kr

- Goals and Objectives

In an effort to contribute to the development of Korea's science technology, the Department of Electronics and Information Engineering trains graduate students as world-class research professionals leading the high-tech 21st century world and strengthens the collaborative research system of University-Research-Industry.

- Faculty

Kang, Jun-Woo	Ph.D. in Electrical Engineering, Michigan State University High-Performance Digital System Design
Kim, Dong Sik	Ph.D. in Engineering, Seoul National University Multimedia Signal Processing
Park, Youngcheol	Ph.D. in Electrical and Computer Engineering, Georgia Inst. of Technology
Lee, Seonghearn	Ph.D. in Electrical Engineering, University of Minnesota Semiconductor
Jeong, Dong Geun	Ph.D. in Engineering, Seoul National University Mobile Communication, Data Communication
Cho, Kyeongsoon	Ph.D. in Electrical and Computer Engineering, Carnegie Mellon University VLSI, CAD
Joo, Jung Suk	Ph.D. in Electrical Engineering, KAIST Mobile Communication
Han, Chimoon	Ph.D. in Electrical Engineering, University of Tokyo Theory of Communication, High-Speed Communications Network
