

Transcript Title: Intermediate Korean (International Summer Session)
Credit Value: To be determined by the partner university
Total Course Hours: 32 hours
Actual Contact Hours: 32 hours

Calendar Description

The purpose of this course is to improve Korean conversation abilities. It will be possible to compose simple sentences by learning how to use tenses as well as basic verbs and adjectives. Through this class students can understand and use the most basic expressions necessary for daily life and make conversations relating to personal and familiar topics.

Student Evaluation

1. Attendance 10%
2. Class participation 10%
3. Speaking Test 40%
4. Final Exam 40%

<Pass/Fail standards>

Students must satisfy the following requirements:

- 60 point or higher from each category(speaking/listening/reading/writing)
- Less than 20%(6 hours) of absence out of 32hours
